1. Each spring you are invited to nominate candidates for the Agency's Public Service Awards Program. It is requested that you study the purpose and criteria of the awards listed above and nominate qualified employees who deserve recognition for their accomplishments. A pamphlet, describing each award in detail with a list of the latest winners, is attached to assist you in your selections.

2. You may submit more than one name for an award. Please send me your list of nominations on or before 15 May 1970. This Office will compile a list of all nominations submitted and forward it to the Director for final decision. You will not be recontacted as announcements are received. Action will be based on your submissions at this time and the Director's approval of nominations.

3. Last year the Agency submitted nominations only for the Federal Woman's Award and the Career Service Awards. We would not ask the Director to endorse a candidate who is not fully qualified and deserving of these awards. I urge you, however, to screen your employees carefully so that no qualified nominee is overlooked. Recipients of Honor and Merit Awards may also qualify for public recognition.

4. If you require any further information or assistance in identifying eligible nominees please contact me.
